

CITY OF MARGATE, FLORIDA JOB DESCRIPTION

JOB TITLE: Deputy Fire Chief- Fire Dept. (Job Code 417)

GENERAL STATEMENT OF JOB

The Deputy Fire Chief serves as the second-in-command of the fire department. This position is responsible for performing a mix of administrative, professional, and technical duties in support of all fire department functions. Work is performed under the general direction of the Fire Chief. This position requires the use of independent judgment and discretion in accordance with the City's policies and procedures.

ESSENTIAL FUNCTIONS

The following duties and functions, as outlined herein, are intended to be representative of the type of tasks performed within this position. They are not listed in any order of importance. The omission of specific statements of duties or functions does not exclude them from the position if the work is similar, related, or a logical assignment for this description. Other duties may be required and assigned.

- Always performs assigned duties in a manner consistent with the City's Core Values.
- Assumes the responsibilities of the Fire Chief in the Fire Chief's absence.
- Represents the department at meetings with City staff or external agencies.
- Collaborates with the Fire Chief in developing the department's strategic goals and objectives, including long-term and short-term planning.
- Assists in development of departmental policies and procedures and ensures compliance of all departmental personnel.
- Assists in preparing the department's annual budget and monitors expenditures for compliance.
- Serves as the direct supervisor for the department's Assistant Fire Chiefs and oversees the Operations Division.
- Makes effective recommendations to the Fire Chief regarding major personnel actions for all department personnel including disciplinary actions involving loss of pay, transfers, and reassignments.
- Conducts and reviews evaluations of subordinate personnel.
- Serves on the City's negotiation team during collective bargaining.
- Recommends collective bargaining proposals and ensures implementation of bargaining agreements.
- Reviews grievances and personnel matters and recommends appropriate action to the Fire Chief.
- Participates in departmental and City managerial meetings.

- Responds to emergency incidents and operates as the Incident Commander or where most effective.
- During major disasters, may serve as part of the City's Emergency Operations Center staff.
- Is on call for after-hours response to major incidents.
- Stays current on new technology, methods and regulations for firefighting, hazardous materials, emergency medical, and rescue operations; attends meetings, conferences and continuing education classes as required and/or appropriate.
- Conducts firefighter training across a wide range of subjects, evaluates program and personnel performance and develops intervention strategies where indicated.
- Ensures the annual inspection and testing of applicable fire equipment is conducted and certifies accurate records are maintained, coordinates all fire apparatus repairs and maintenance.
- Collaborate with Assistant Fire Chiefs to secure needed fire department tools, equipment, gear, and obtain needed repairs.
- Generates memorandums and creates, implements, and reviews operational directives, rules, policies, and standard operating guidelines to ensure safe and effective operations and to keep the department in compliance with all applicable laws, rules, and industry standards.
- Research, develops, submits, and manages various federal, state, and local grants.
- Performs other duties as assigned by the Fire Chief.

MINIMUM TRAINING AND EXPERIENCE

Associates degree in EMS, Fire Science or closely related field. Preferred Bachelor's degree from an accredited college or university in Fire Science, Business or Public Administration, or related field; a four-year graduate from the National Fire Academy, Executive Fire Officer Program. Extensive successful firefighting experience which included experience as an officer in a line or staff function. Must meet State of Florida Minimum Standards. or an equivalent combination of education, training and experience that provides the required knowledge, skills and abilities.

Special Qualifications:

- Florida Firefighter II Certification.
- Florida Paramedic Certification
